Registration Deadline: Jan. 26
Ukulele and Guitar sessions will start the week of January 28, 2020 and end April 28, 2020. The cost per session is $250 and will be billed through FACTS. If your child needs to stay in Plus from 3:00-3:30, and is not normally enrolled in Plus, please contact Beth. There will be a nominal fee charged and your child will participate in Plus snack. Students are responsible for obtaining their own instrument and the required music for the session:

**Instrument:**
- Guitar - nylon strings - 3/4 size if under the age of 11.
- Ukulele - soprano or concert size

**Books:**
- Guitar - Hal Leonard Guitar Book 1 and 1” binder with 3 section dividers
- Ukulele - Hal Leonard Ukulele Book 1 and 1” binder with 3 section dividers.

**Purchasing Resources:**
- Folklore Music Exchange (highly recommended for ukulele and guitars)
- Kerr’s Music World (Charleston, WV)
- Pied Piper
- Amazon.com (please email me and I will send links to instruments I personally recommend if ordering online. They have great deals on good brands of student guitars and ukuleles)

Within these sessions, students will learn how to play songs while singing, learn how to read music, learn a vocabulary of chords, learn basic music theory, and learn strumming techniques at a pace designed for first time players. In addition, students will learn the quality experience of performing in an ensemble which teaches awareness of players around them, the ability to match the tempo and pitch of others, and learning how to follow and lead with one another. These life skills translate to many other situations. To register your child, email aal-qudwah@mountaineermontessori.org with your child’s name, age, and instrument. All purchased materials and instruments must be approved before the first lesson.
